O R D E R:

In the Proceedings 2nd read above, the water drawl permission was accorded to the firm M/s Tagore Chemicals Pvt. Ltd., Tupakulagudem Village, Tallapudi Mandal, West Godavari District for drawl of 600 KLD of water from River Godavari at the intake structure located between Km 26.400 and Km 26.600 of the AGRB, situated in Pydimetta village of Tallapudi Mandal, for a period of 1 year subject to certain terms & conditions which was expired on 18.01.2022.

3. In the reference 3rd read above the firm M/s Tagore Chemicals Pvt. Ltd., Tupakulagudem Village, Tallapudi Mandal, West Godavari District has applied in Single Desk Portal for renewal of their water drawl permission.

2. In the letter 4th read above, the Engineer-in-Chief (Irrigation), Vijayawada has recommended the proposal to Government to issue necessary orders for according renewal permission to M/s Tagore Chemicals Pvt. Ltd., Tupakulagudem Village, Tallapudi Mandal, West Godavari District for drawl of 600 KLD of water from River Godavari at the intake structure located between Km 26.400 and Km 26.600 of the

AGRB, situated in Pydimetta Village of Tallapudi Mandal, for a further period of 10 years i.e. from 19.01.2022 to 18.01.2032, subject to the following terms and conditions:

1. The water can be spared subject to the availability of water in River Godavari.
2. The water drawn from the source should be utilized for the purpose for which permission is granted. Any misuse on this account shall entail cancellation of the permission without any notice and liable for imposition of penalty.
3. The industry shall pay one year water charges as advance and any amount due to the Department before entering into agreement.
4. Under any circumstances, the consumptive utilization should not exceed the quantum of water allotted by the Department.
5. Digital Water meters and measuring devices should be installed at the pump house by the industry at their own cost to measure the water consumed and should be made available to the Department authorities and the representatives of the users shall be present at all times for inspection. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the Department.
6. The firm should pay security deposit at 5% on water Charges for the period for which permission is granted.
7. The firm should pay water royalty charges as per Government Memo No.2772, dt.30.09.2015 at the rate of Rs. 5.50/- per 1000 gallons as the water is used for consumptive use or at the revised rates fixed by the Government from time to time. In case of failure to pay water Charges/Royalty, the permissions to draw water shall stand cancelled.
8. The firm should make its own arrangements for sufficient storage of water during non supply period.
9. The Water Resources Department is no way responsible for non supply of water due to any reasons.
10. The entire cost of construction of pump house, pipe line etc., should be borne by the industry only.
11. The industry must strengthen the flood bank and margin on either side of the proposed off take point to avoid erosion of bank and to protect the existing flood bank as directed by the Department.
12. The Department is no way responsible for any damages that may occur to the off take point and pump house during floods or an account of any other reasons.
13. The Department is not responsible for any dispute that arises with neighboring industries and public and any legal matters.
14. The industry should not create any objection to the raising and widening of AGRB Flood bank and they have to relocate the pump house, if necessary, at their own cost.
15. The industry should abide by any other conditions laid by the Department at later date.
16. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.

17. The annual requirement of water can be spared from River. No more drawl shall be permitted, Priority shall be given to Drinking water & Irrigation, when River receives lean flows.
18. The point of drawl should be as fixed by the Department.
19. The Firm has to produce relevant records for departmental verification at the end of each quarter periodically.
20. The industry shall obtain prior concurrence from concerned departments for laying of pipe lines and crossings etc., where ever necessary.
21. No field bodhi or pipeline shall be taken through or along with Government land without approval from the Government and if permission accorded by the Government, the lease amount should be paid as fixed by the Government only.
22. The industry should make their own arrangements to dispose the treated effluents as per norms of AP Pollution Control Board in their premises only and should obtain prior permission if any needed from the Government to dispose treated effluents in the natural resources. Necessary clearance from the AP Pollution Control Board is to be obtained in this regard by the firm before drawl of water from source.
23. The industry must acquire private land for installation of pumping arrangements. If the industry proposes to utilize the Government land for installation of pump house, necessary permission is to be obtained from the Government for leasing the land and the lease amount fixed is to be paid by the Industry.
24. The Industry has to construct CC Walls to avoid leakage at pipeline crossings at their own cost.
25. The Industry should follow the Revenue Board standing orders (BSO).
26. The Industry has to conclude the agreement with the officers concerned of the Water Resources Department.
27. The industry has to pay water charges for the estimated quantity in advance at the start of the Financial year i.e., before 10th April of every year as per BSO.
28. The Proposed drawl for this plant should not affect Lower Riparian Rights (LRR) and Upper Riparian Rights (URR) in any manner.
29. The permission does not confer any riparian rights to the industry.
30. A detailed plan showing the location of intake arrangements, pump house, alignment of pipe line and conveyance system should be furnished to the Department for approval.
31. Permission is valid for 10 years from the date of approval. The agency has to apply for renewal, if necessary, atleast 3 months before expiry of the permission.
32. Non adherence to any of the above conditions by the Industry will entail cancellation of the permission.
33. The concerned Executive Engineer will be responsible for enforcing the conditions.

4. Government, after careful examination of the matter, hereby accord renewal of permission to M/s Tagore Chemicals Pvt. Ltd., Tupakulagudem Village, Tallapudi Mandal, West Godavari District for drawl of 600 KLD of

water from River Godavari at the intake structure located between Km 26.400 and Km 26.600 of the AGRB, situated in Pydimetta Village of Tallapudi Mandal, for a further period of 10 years i.e. from 19.01. 2022 to 18.01.2032, for Industrial purpose**,** subject to the terms and conditions as mentioned at para-3 above.

5. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer, Godavari Delta System, Dowlaiswaram and the Collector & District Magistrate of East Godavari District, shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
